I have made the update, Robert. I just hope I gauged the line lengths correctly. It should refresh first thing tomorrow morning.

Hi Bill,

I see that you are out for today. I hope you enjoyed a good weekend.

When you get back and get a chance, will you add the text below to the CFAC CEF/webpage in the Stay Updated/Public participation opportunities section. It should go above the Oct 11 event. Thanks Bill!

**Sep 29, 2016: EPA Public Meeting 6:30 – 8:00 p.m. at the Columbia Falls Junior High School; 1805 Talbot Rd, Columbia Falls, MT 59912; in the “Cafetorium.”**
